

Mobile App

The HealthSmart app brings all of your vital healthcare information straight to your fingertips and is now available for quick download in the App Store and Android markets.

Simply download the myFlex mobile app for your Android or iPhone (also compatible with iPad® and iPod touch®) and log in using the same password you use to access the HealthSmart member portal.

For Apple devices: To download the My Flex Spending for your Apple device, visit www.apple.com or simply search 'My Flex Spending' in the Apple App Store.

For Android devices: To download the 'My Flex Spending' for your Android device, visit play.google.com or simply search 'My Flex Spending' in GooglePlay.

Get Connected with Your Healthcare

HealthSmart's mobile application offers all plan participants access to personal healthcare information anywhere, at any time. This smartphone app is designed to help members use and manage healthcare coverage on the go. It features access to benefits information and other secure tools including:

- ▶ Access to Personal Account Details
- ▶ Medical Claims Information
- ▶ Ability to File Claims with Camera-Based Receipt Imaging
- ▶ Review Account Balances and Important Dates
- ▶ Get Text Messaging Alerts for Balance and Transaction Inquiries
- ▶ Locate Convenient Customer Service Contact Information

The New Mobile App Instructions After 1/1/2017

Step 1: Install the My Flex Spending App.

Step 2: Log in with your standard username and password that is used in the Consumer Portal.

Step 3: Once logged in, you will see the Main Navigation Screen with buttons to access the mobile app's menus and features.

Step 4: Access your account anywhere.
